Dear Examiner Zewari:

Referring to page 2 of the action dated July 7, 2010, I would like to propose combining claims 12+18+19 and another claim including claims 12+18+20.

I would suggest that claim 30 is only slightly different from claim 12 and that the combinations of 12+18+19 and 12+18+20 are enough to overcome the present art.

I would appreciate your comments.

Thanks in advance,
